## **2020 Oil Depot COMMA Legends Pro (LP) Contingency Program**

### **Stage 1 Qualifying Competition**

Stage 1 Qualifying of 300 points qualifies you for the awards in Stage 1 and it also makes you eligible for the awards in Stage 2 Competition of the Contingency Program.

In Stage 1 Qualifying of the Contingency Program, participants will be provided with a Driver VIP Text Referral link to rally their supporters and give them the opportunity to name their Favorite Driver. Although not required, supporters can include their name in the link and we will notify drivers of their supporter should you want to send them a thank you.

Driver/Contingency Participants will be awarded 10 points for each supporter who opts into the Oil Depot VIP Text Program and your supporter will receive special offers, discounts, and promotions for joining the VIP Text Program. If your supporter opts out of the VIP Text Program before the end of the season; no points will be awarded for that referral.

Additionally, all orders placed with Oil Depot by the contingency participant or their supporter will earn 15 points for every \$25.00 ordered (before discount or tax applied) and those points will be added to Stage 1 total points. (Note: All contingency participant orders and contingency referred orders already placed this year will be awarded points towards Stage 1 qualifying).

Total points in Stage 1 Qualifying will be accumulated at the end of the season to determine 1st thru 4th place winners of Stage 1 cash awards. (Tie-breaker - Any ties will be determined by the most "Order Points" earned). Awards will be paid by check.
