

HI-TEST

HIGH PERFORMANCE OCTANE BOOSTER

DESCRIPTION:

Concentrated, metal-free octane booster designed to increase power by increasing octane number and combustion efficiency. The advanced formulation eliminates knocking by increasing the auto-ignition temperature of the air/fuel mixture and readily mixes with all fuels, including nitro and alcohol mixtures. The all organic blend contains no metal or phosphorus compounds and effectively increases power at dosages as low as 1 oz. HI-TEST per gallon of fuel.

FEATURES & BENEFITS:

- Readily mixes with all fuels, including nitro and alcohol mixtures
- For use in 4-stroke and 2-stroke engines
- Increases horsepower and octane level
- Allows for higher compression ratios and efficiency
- Prevents “pinging” and “knocking”
- Cleans fuel systems

APPLICATIONS:

For use with all fuels, including nitro and alcohol mixes. Can be used in all 2-stroke and 4-stroke engines. For best results, use in combination with Maxima engine oils.
